One-sex worker apartment

- After entering the room, arrange clients to take a bath first.

- Prepare cloth stand or plastic box for clients to put their clothes in, and use disposable linens.

- Dispose objects with secretions, such as tissues, condoms, linens, into lidded rubbish bins.

- Provide individually packaged drinks to clients.

- Use bleach only in well-ventilated area.

- Wash dust filters of air-conditioners frequently.

- Pour water into each drain outlet (U-traps) regularly.

- Keep alcohol disinfectant away from electrical appliances and fire.
